Illustrious Grand Master's Message

Greetings Companions:

The York Rite year is nearly half over and we are going into the holiday season. The time for the Grand Master's Class for York Rite Degrees and Orders is here. The Council Degrees and Commandery Orders will be conferred on Saturday, December 15th at the Masonic Center in Bremerton at 5th and Warren, beginning at 8:00AM. I hope to see a large turnout of York Rite Masons there. I encourage all Companions to make an effort to attend, as the presentations will be truly impressive with experienced casts conferring the Degrees and Orders. It is an opportunity not to be missed.

In reviewing the Bylaws of the Constituent Councils, I have noted that some are out of date, and some have approved amendments that have not been incorporated. I am therefore asking each Council to codify their Bylaws. This involves incorporating approved amendments and publishing them as a whole so that an up to date complete Bylaws is available for their members, as well as for the Illustrious Grand Master, Grand Recorder and Bylaws Committee. If there are no proposed changes other than incorporating approved changes, a vote of the Council is not required (but signatures and seals are needed, and approval by the Illustrious Grand Master).

This request is in accordance with Section 7.13208 of the Grand Council Constitution and Bylaws. This section requires that all Councils have codified and ratified Bylaws, and charges the Committee on Bylaws to examine the Bylaws of Constituent Councils once every five years.

At my Official Visits, I am emphasizing several goals which are dear to my heart. Councils are encouraged to have educational programs at each meeting as the lessons of our degrees contain allegories and symbols with profound meanings. I am also encouraging communication with all members so that none will feel left out and forgotten even if for various reasons they are unable to attend, and that includes those who are not electronically connected.

I encourage Councils to consider the various awards available which are listed in the Master of Arch Handbook, available on the Grand Council website. Although not yet incorporated, I also encourage the Illustrious Masters to consider the Ish Sodi award. This award is designed to recognize a Companion who has been particularly helpful to the Illustrious Master in assisting him and in providing advice when requested. It is accompanied by a very nice medal and certificate.

Finally, I encourage each Companion to become familiar with the great strides being made by the Cryptic Masons Medical Research Foundation. The progress being made by the researchers supported by this Foundation has been truly impressive. I encourage donations to support this research to the extent that is within your means.

I wish you and yours a very enjoyable Holiday Season.

Grand Commander's Message

Greetings Sir Knights!

All Saints Day is behind us, the Halloween ghosts and goblins have come and gone for another year, and we are firmly into the holiday season! Thanksgiving is just around the corner, followed shortly by Advent and then the birthday of all birthdays, Christmas, the day we celebrate the birth of our Lord. Are you ready?

Along with the holiday season comes elections, installations and our obligatory Christmas Observances.

First elections. Hopefully you did your civic duty and cast your vote in our mid-term elections. If so, thank you for doing your duty as a citizen of this great nation which gives us so much. Next, elections in your Commandery. Look well to your vote, the Fraters elected will be the ones to lead you through the next year and can help you to grow, and prosper. Remember to report the results of your elections to our Grand Recorder within 15 days of the election, and also to the FOCUS editor (perhaps via the same email) so that the FOCUS can be kept current with your leadership information. One other piece, if you want the Grand Commander or another member of the Grand Commandery Leadership team to install your Commandery, you must ask for that to be done. Your installations are not all on the calendar so if we are not invited, we will not necessarily be able to be with you. I and we are happy to assist in doing this for you, but you need to ask for our involvement.

Second, Christmas Observances. Remember that these are obligatory. Please send me the information as to when and where your Commandery will be observing Christmas, I would be honored to attend as many as my calendar will permit. Whether I am with you or not, please insure this very important service is observed with appropriate solemnity and that we do honor to our Lord and Savior through our devotions and actions.

Third, Thanksgiving. Sir Knights, Templary has no formal observation of this particular holiday; it is actually a secular holiday quite recently (within the past several hundreds of years) added to our lives. That however does not relieve us from the opportunity to turn something secular to something Templar. I submit that the Thanksgiving holiday is a perfect

time for our Commanderies to reach out and do something that our Savior would appreciate and commend us for. How about doing something for those who are not as fortunate as we within our communities. Perhaps putting on a meal at a local shelter; food baskets for a school child's needy family (school nurses can assist with this endeavor); a sizable donation of food to the local food bank; let your minds run wild as to what you as Templars can do in your community to show our thanks to God for all the bountiful gifts which he has given to us. If you can find a way to celebrate the Thanksgiving holiday in a manner such as this please let me know.

Also, we have the "Grand Master's Class" coming up. The Commandery Orders will be given on 15 December in Bremerton. Our Grand Generalissimo, SK Richard Kovak, is still putting together the presentation teams and will be in charge of the Orders. Manpower is running short and there are lots of unfilled parts. Please give him any and all assistance you can so that the experience will be the best possible for our incoming Sir Knights.

Finally my Fraters, I wish you and yours the Love of our Heavenly Father and His Son, our Savior in this Holiday Season. Remember it is the season for planning giving, for actual giving, and for giving thanks. It is the season for following the example of Heavenly Father and His Son.

As your life twists and turns through the changing of the seasons, do not put aside who and what we are in the ensuing crazy workload. Remember that we, each of us, are soldiers of Christ, and it is our obligated duty to walk the walk each and every day so that all will know who we love and serve. Every day is a day available to bring someone to Christ and to Templary through Masonry by our actions and example.

I look forward to seeing every one of you in His Service soon and may Peace be with you always.

York Rite College Grand Governor's Message

Greetings Companion Knights—

November is a silent month for Tahoma and Kamiakin Colleges, but Rainier will meet at the Stanwood Masonic Center on Saturday, November 3rd, at 10:00AM. Many York Rite Bodies will be busy installing their 2018-2019 Corps of Officers, so show your support for the new officers by attending their installation.

The Annual Northwest Conference of York Rite Bodies was successful this past October at Boise and the leaders of our three primary bodies attended. Invite them to spend a few minutes talking on the highlights of this annual event. The event is open to all York Rite Members and is held every year about the 3rd Friday and Saturday in October. Watch for it next year and exercise your prerogative to attend.

On December 15th, the Grand Masters Class for Council Degrees and Commandery Orders will be conducted at the Bremerton Masonic Center. Check with MIC Alan Spreen for the Council and SK Richard Kovak for the Commandery Orders to offer your service. Lest we forget, the purposes of the York Rite College are as follows:

- a. To foster a spirit of cooperation and coordination among each of the Bodies of the York Rite.
- b. To assist in worthy efforts to improve the ritualistic and dramatic presentation of York Rite.
- c. To Conduct an education program in order to inculcate a greater appreciation of the principles, ideals and programs of York Rite Masonry.
- d. To strengthen York Rite Masonry in every possible manner.
- e. To build up a love of country and to aid and support genuine Patriotism.
- f. To award outstanding service to York Rite Masonry by awards, honors and other methods of proper recognition.
- g. To support charitable and benevolent endeavors of Freemasonry.

Companion Knights, look well upon your college by giving it your time and talents. God Bless One and All and support our USA!

Greetings Companions from your Royal Arch Masons Children's Heart Foundation

As the end of the year draws near we wanted to get the Companions a copy of our Balance sheet for review. The Trustees would like to thank all the Companions for their continued support and for the positive feedback we've heard regarding keeping "All the Companions informed" on what the foundation is up to as it's a "Breath of fresh air" and "we appreciate the openness so we can keep up to date and are more informed". Every now and then we hear some that are opposed to the openness and transparency like "sending out financials isn't necessary as most companions have no concern about that or have no knowledge about what is being presented".

As we have mentioned in prior FOCUS articles "the more you know" has been our approach from the start and will continue long into the future. As the year is drawing to a close please remember that should you need to or would like to make a tax-deductible donation please remember and consider your RAMCHF.

You do make a difference!!!!

The foundation will be holding a conference call on November 17th to review improvement opportunities for next year, digitizing our old records, sprucing up our Marysville Office and donation opportunities to make a difference in Children's Lives.

As always please feel free to ask questions as the more you know the better informed all of our companions will be.

YORK RITE LIFE MEMBERSHIP MEMORIAL FOUNDATION

So far in 2018 York Rite bodies have purchased 15 new life memberships. YRLMMF assets are conservatively invested for long-term preservation of capital as well as current income. Returns on YRLMMF's investments of course vary from year to year. However, even in a good year in the stock market, the amount invested for most life memberships won't generate enough income to cover a life member's dues or per capita payment.

As York Rite bodies elect officers and plan for the coming year perhaps they will want to take a fresh look at what they are asking for life memberships. The Grand Codes of Chapter, Council and Commandery set minimum amounts for life memberships. Some individual chapters and councils have set higher amounts in their bylaws.

Royal Arch Code, Section 166 - minimum \$150

Grand Council Code, Section 4.3061 BL - minimum \$200

Grand Commandery Code, Section 12.0 sets out a sliding scale based on age.

Application forms for life membership can be found under the Forms tab on the website of all three grand bodies. New contributions for life memberships can be mailed to:

From the Grand Secretary pro-tem of the Grand Chapter Royal Arch Masons

Happy Halloween, Companions! I wanted to take this opportunity to introduce myself. I am Tom Christie, and I am the pro tem Grand Secretary. I also wanted to touch on some items which the Grand Chapter is working on.

First, the Grand Chapter has been looking at some systems to keep better track of membership information. Over the course of the next few months we will be building an improved database. Assistant Secretary Al Luberts may be contacting some of you concerning this, and to get up-to-date information.

Also, we have noticed that in the most recent Grand Lodge Web update, the proficiency in Chapter Management was omitted. We are working on correcting this and making certain that it is available at least to all the Deputies of the Grand High Priest.

Finally we are making a big push to prepare for any Chapter that wants to confer the Mark Master degree for any blue lodge that wishes to experience the Mark Master degree. Anyone receiving this Degree will be a Mark Master member-at-large of the Grand Chapter, and appropriate certificates and membership cards will be issued. However, more information will be made available soon.

Greetings Companions,

Now that summer is officially over, and the rain has returned, **the Park Board needs your help!** It's time for our yearly renewal of the park caretakers' position. If you know someone who is interested in this position, please have them contact the Royal Arch Park Board at RoyalarchparkMV@gmail.com.

Many projects are planned. This month we will be removing the bricks and chimney from Kitchen 2. The restrooms are going to be remodeled soon, the driveway has had some donations of gravel which has been delivered. The outdoor degree area has had some improvements made with more planned soon.

The Haunted Forest of Maple Valley is over now, and the cleanup is well underway. The temporary sets are being removed and the park will be winterized. Their event supports many youth programs and the kids were excited and had a great time! If you have not come out to see their Haunt, I would recommend you come out next year!

The board members were able to walk the park during the Haunted Forest and noticed a few things that needed to be cleaned up we would not have noticed without seeing the Haunt set up. Their donation to the park will help replace picnic tables and upgrades to the grounds. But there is still a lot that needs to be done.

We want to thank Triple Tau Chapter for their donation to the outdoor degree area. The donation will help a lot! With that said, we would love to see some of the other Royal Arch Chapters come out and see the park. With your help and donations to the park we will be able to make even more improvements. Like I've said, we are good at pinching pennies, but there is a lot more we can do. With the Chapters' help, we can make those improvement.

I hope to see you at the park,

Glenn Butler
Secretary
Royal Arch Park Board

A gentle reminder to all York Rite Masons that while the Fraternal aspect of our great organizations is superior, we must never forget the Business Aspects that allow us to survive in the 21st Century. This article is designed to inform you of some of the more important aspects of the Business of Masonry.

The business staff of the Chapters, Councils and Commanderys consists of the Secretary, Registrar, Recorder and the Treasurer. This also applies to the Grand Chapter, Grand Council and the Grand Commandery.

First, you must understand that the taking and posting of the minutes is the most visible of the Secretary's job, it is the least time consuming. The behind the scenes roles of the Secretary consumes hours and is little seen. Such things as receiving and answering the various communications, receiving the moneys due and assuring that current dues cards are transmitted, while less visible require an immense amount of time. Preparation of the budget in conjunction with the "man-in-the-east", the Treasurer and the Committee. The Secretary is typically the first person contacted when there is a question (generally has the answer). Managing the office, which is generally in the Secretary's home and keeping the significant other happy about the mess required more than a "yes dear". The Secretary is the front line person for all communications with the "the outside world". A simple look at the WEB page will tell you why.

The second arm of the business staff is the Treasurer. I maintain that every Masonic Body needs a Treasurer and we should never have a Secretary/Treasurer. One of the fundamentals of good financial management is the person who receives the money is not the person who signs the checks and the person who signs the check is not the person who balances the check book. By its very nature that requires three people, but it should always be more than one. Your group should establish who has access to the financial accounts of your body. That should be established in writing. It should always be the Treasurer, the Secretary and the "companion-in-the east" and possibly

even the number two in the Fraternal line. You should demand a Treasurer's report at you monthly (or periodic) meeting. You should demand to "see" the budget. You should demand a balanced budget and even insist on voting on approval of the budget.

Our Masonic bodies are 501 c(10) bodies as established by the Internal Revenue Service. You do not pay taxes on related income, but may be required to pay taxes on unrelated income. (Ask yourself, is that raffle related to the fraternal business of your organization and are you in compliance with the Washington State criteria for such activities). Your body is required to file and Information return with the IRS (990N, 990EZ or 990, depending on gross income and total assets). This filing is due on the 15th day of the 5th month following the close of your fiscal year. Not all fiscal years end on December 31st. Ask your Treasurer when your fiscal year closes. Failure to file can and will cause loss of the 501 c(10) and this has been the requirement since 2011. Ask the question of your Treasurer.

All the above is required. Who is responsible? I maintain the man-in-the east is responsible. Help protect you Secretary and Treasurer. Assure that an AUDIT is done each year. The Audit should be of ALL funds and to see that all required Administrative functions are being done in a timely matter. You cannot do a GOOD audit until you understand what is required.

REC Merle Iverson, Grand Treasurer

**To all Chapter Secretaries; To all Council Recorders; To all
Commandery Recorders:**

**Please collect the following amounts from each member of your
organization for the upcoming 2019 year.**

General Grand Chapter Per Capita: \$3.00

Grand Chapter Per Capita: \$19.00

Washington Masonic Charities

Children’s Programs, Masonic Outreach Services, Masonic Library & Museum

Our Mission: Washington Masonic Charities invests in youth and education, provides comfort and support for seniors and those in need, and preserves and shares the Masonic Heritage of Washington State.

Masonic Outreach Services

Masons caring for Masons, their wives, and widows as they age has been a long and important tradition of Freemasonry. WMC’s Masonic Outreach Services program replaced the Masonic Retirement Center of Washington. In October of 2014 children’s programs and the Library & Museum merged with Masonic Outreach Services and formed Washington Masonic Charities. New staff joined WMC to provide positive energy for an effective, and relevant service that meets the needs of the Masonic community.

Masonic Outreach Services Program Purpose

The Masonic Outreach Services’ purpose is to help individuals stay at home as long as they can by providing information and support. When the time comes, staff are available to help individuals find the right path to make the transition into a higher level of care, and to provide limited financial assistance through our emergency needs service.

Services Provided

- **Information & Referral** – staff are available to assist individuals in identifying resources available to them in their community including care providers, housing options, support groups, nutrition and more.
- **Assessments** – Staff can visit individuals to assess their physical, financial, and social needs to make recommendations.
- **Care Planning & Home Visits** – Based on assessment, staff will prepare recommendations for individuals and assist in connecting them with services. When possible, our staff will visit people in their homes on a regular basis.
- **Financial Benefits Application Assistance** – Staff can assist in the preparation of benefits and entitlement applications for qualified individuals.
- **Emergency Needs** – Washington Masonic Charities can assist with one time emergency needs requests. We do this in coordination with their local lodge and the Grand Lodge.

Services are provided at no cost, but we do suggest a donation for assessment & evaluation, care planning, and benefits assistance services.

What Happened to the Masonic Retirement Center?

The Masonic Retirement Center of Washington (MRC) has been closed to residents for several years. Changes in building codes, costs for construction to meet those new requirements, and ongoing operational costs led the Grand Lodge of Washington to make the decision to close the facility. The MRC is owned by the Grand Lodge. The disposition of proceeds from any future sale of the MRC will be decided upon by the Grand Lodge.
